LOS ANGELES – January 31, 2019 – SHOWTIME will premiere its new one-hour drama series *CITY ON A HILL* starring Golden Globe winner and Emmy® nominee Kevin Bacon (*The Following*) and Screen Actors Guild® award winner Aldis Hodge (*Underground*) on Sunday, June 16 at 9 p.m. ET/PT. Production on the 10-episode series will begin in February in New York and Boston. The announcement was made today by Gary Levine, President of Entertainment, Showtime Networks Inc., at the Television Critics Association's Winter Press Tour.

CITY ON A HILL is created and executive produced by Chuck MacLean (*Boston Strangler*), with multiple Emmy winner Tom Fontana (*Homicide: Life on the Street*) serving as showrunner, executive producer and one of the writers. The series is set in

early 1990s Boston, rife with criminals emboldened by local law enforcement agencies in which corruption and racism was the norm. In this fictional account, assistant district attorney Decourcy Ward (Hodge) arrives from Brooklyn and forms an unlikely alliance with a corrupt yet venerated FBI veteran, Jackie Rohr (Bacon). Together, they take on a family of armored car robbers from Charlestown in a case that grows to involve, and ultimately subvert, the entire criminal justice system of Boston. Produced by SHOWTIME, *CITY ON A HILL* also stars Jonathan Tucker (*Kingdom*), Mark O'Brien (*Halt and Catch Fire*), Jill Hennessy (*Crossing Jordan*), Lauren E. Banks (*Instinct*), Amanda Clayton (*Tyler Perry's If Loving You Is Wrong*), Sarah Shahi (*Fairly Legal*), Kevin Chapman (*BROTHERHOOD*) and Tony® Award nominee Jere Shea (*Passion*), with Kevin Dunn (*Veep*) recurring.

CITY ON A HILL is executive produced by Chuck MacLean, Tom Fontana, Ben Affleck, Matt Damon, Jennifer Todd, Michael Cuesta, James Mangold and Barry Levinson. MacLean wrote the pilot and Cuesta directed. Kevin Bacon and Jorge Zamacona serve as co-executive producers.

SHOWTIME is currently available to subscribers via cable, DBS, and telco providers, and as a stand-alone streaming service through Amazon, Apple®, Google, LG Smart TVs, Oculus Go, Roku®, Samsung Smart TVs and Xbox One. Consumers can also subscribe to SHOWTIME via Amazon's Prime Video Channels, DirecTV Now, FuboTV, Hulu, Sling TV, Sony PlayStation™ Vue, and YouTube TV or directly at www.showtime.com.
